

FREE ALL MOTHERS ★★ ★ FREE ALL PRISONERS

2nd Annual Mother's Day Noise Demo

Raleigh 🌸 Sunday May 11 🌀 3pm 🌿 meet at Bragg St & State St

We'll be breaking the isolation and monotony of the women in the Raleigh Correctional Center for Women and the North Carolina Correctional Institution for Women. The majority of female inmates are mothers. Mother's Day began not just as a day to honor mothers, but as a day for mothers to express solidarity with one another and against the wars that left widows and orphans impoverished. This Mother's Day, in honor of this tradition, there will be a day of solidarity with incarcerated mothers and against a penal system that disproportionately cages people based on race, class, and gender non-conformity.
